The simple step-by-step instructions in this book enable anyone to create a dramatic and striking effect in any room. From a variety of flowers, trees and shrubs, the author has provided the inspiration to transform any room. Motifs include sprigs of ivy, violets, tulips, roses and daises, and a variety of elegant and stylized borders. Each stencil is designed so that it can be enlarged on a photocopier and cut out with ease. There are also useful tips on how to get an even and professional finish.
