Jack Kramer : Florida Exotics: Unusual Plants for Garden and Home before purchasing it in order to gauge whether or not it would be worth my time, and all praised Florida Exotics: Unusual Plants for Garden and Home:

Florida's climate is suitable for growing some of nature's most breathtaking plants. Here is an all-purpose guide on more than 200 beautiful, exotic plants that will thrive in the Sunshine State bromeliads, orchids, gingers, ferns, vines, bulbs and more. Florida gardeners will learn everything they need to know about creating and sustaining an exotic

floral paradise year round. 100 full-color photos throughout.
