Robert Bowden : Florida Fruit Vegetable Gardening: Plant, Grow, and Harvest the Best Edibles (Fruit Vegetable Gardening Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Fruit Vegetable Gardening: Plant, Grow, and Harvest the Best Edibles (Fruit Vegetable Gardening Guides):

0 of 0 people found the following review helpful. Great guide for people in FloridaBy feramis19Very useful! I live in

central Florida and this book has all the information I need to my vegetable garden. When it comes to fruit trees the information is a little limited, particularly when it comes to citrus fruit trees, but when it comes to all different kind of vegetables, the books gives you great guidelines to keep you busy planting year around0 of 0 people found the following review helpful. Excellent reference book for us FloridiansBy CustomerExcellent reference book for us Floridians. Now I can throw out all those other books. Why didn't I purchase this book before. General gardening books can't touch this!0 of 0 people found the following review helpful. Five StarsBy JbbeeArrived quickly and is an excellent guide for florida gardeners.

Plant, grow, and harvest the best edibles for your garden! Florida Fruit Vegetable Gardening is an easy-to-use guide to growing edibles in the Sunshine State. Full-color images illustrate the more than 25 fruits and berries featured, and there are also more than 35 recommendations for the best vegetables to grow in this sometimes challenging climate. Helpful growing tips, icons, charts, and maps assist gardeners in planting the right edibles for their exact Florida location. This is the perfect book for longtime Florida gardeners as well as newcomers to the state with its enviable twelve-month growing season. This updated edition of the original Guide to Florida Fruit Vegetable Gardening (Cool Springs Press, 2010) includes new specimens and cultivars as well as updated information on the outbreak of citrus greening disease that has ravaged orange groves throughout the state, with recommendations on safe practices gardeners should follow. Make your garden healthy and happy with tips from expert gardener and horticulturalist Robert Bowden.

About the AuthorTom MacCubbin (Orlando, FL) is known to gardeners in Florida through his radio and television programs and as a garden columnist for The Orlando Sentinel.www.betterlawns.com Georgia Tasker (Miami, FL) has been a garden writer for the Miami Herald for more than 20 years.www.fairchildgarden.org
