**Tom MacCubbin : Florida Gardener's Resource** before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Gardener's Resource:

0 of 0 people found the following review helpful. Great go to for native selection and care guide. By Lots2loseLove this book. Great go to for native selection and care guide. 0 of 0 people found the following review helpful. Best garden book for Florida. By raduvi This book is by far the best I have read about Florida gardening. It lists practically all plants you can grow in FL, when and where to plant, when it blooms, height, width of mature plant, a calendar for chores to do every month, best plants for Florida, practically every plant has a colorful photo, so much

information, pest control, native and invasive plants, water conservation . It has a wealth of information , contact links with Extension Offices etc. You will be glad to have it. 2 of 2 people found the following review helpful. Florida Gardener's Resource.....Great book By Rosemary A. Litsky The Florida Gardener's Resource is one of the best out there on Florida gardening. Love the pictures and charts too. It made the perfect gift for my son, who just moved to Florida.

Florida Gardener's Resource is filled with essential information for successful Florida gardening from popular gardening experts. More than 300 plant selections in eleven gardening categories from annuals to tropicals. Monthly to-do calendars assist gardeners in the proper care and timing for everything from planting to watering. Includes water-wise plant selections and advice on gardening with less water.

About the Author Tom MacCubbin: is known to gardeners in Florida through his radio, television, and as a garden columnist for The Orlando Sentinel. Georgia Tasker has been a garden writer for the Miami Herald for more than 20 years.
