Simon Lycett : Flowers with a Flourish before purchasing it in order to gage whether or not it would be worth my time, and all praised Flowers with a Flourish:

Create and enjoy exquisitely stunning floral arrangements for every season. Simon Lycett, an internationally renowned floral decorator, has created arrangements for numerous films, including *Four Weddings and a Funeral*, and has undertaken many high-profile projects such as decorating the royal box at the Royal Albert Hall. He fully explains the basics of flower arranging, with information on containers, equipment, tips on making the most of your flowers, and advice on choosing flowers and foliage. Step-by-step directions help you master the five main styles of floral decoration- formal, informal, modern, inexpensive, and table setting. In addition to cut flowers, Simon provides a

wealth of ideas on using dried and artificial flowers and potted plants. Discover how to work floral magic on windowsills, steps, and even in fireplaces. The wide range of imaginative ideas for occasional as well as long-lasting displays are captured in over 400 breathtaking color photographs. His equally stunning follow-up, *Served with a Flourish*, shows you how to lay a breathtaking table for any occasion.
