Irving Penn captured the beauty of Flowers in various states and caused me to see the beauty in imperfection and decay. I was feeling indulgent one night while shopping online and found this copy at a reasonable price. I still love the images and it is proudly displayed on my coffee table.0 of 0 people found the following review helpful. Irving was more I'm portent than William PennBy Nathan Hayward IIIThe exhibition was stunning; the book is very faithful to his intent and the images are first class.0 of 0 people found the following review helpful. Superb BookBy Vitor DuarteOne of the most beautiful books on flower photography that I have ever seen! Amazing print quality, although this book was printed in the eighties.

Flowers.by Irving Penn. Harmony Books, NY, 1980. 94 pp. First edition. Collectable Copy. This book is full of photographs selected for only this Copy and reproduced for the first time.
