Diana Arendt : Fort Worth Log Cabin Village before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fort Worth Log Cabin Village:

Relive history as you stroll through the Fort Worth Log Cabin Village. This living history museum features seven authentic log cabins and a reproduction blacksmith shop. The Village portrays life in the mid 1800's with genuine pioneer artifacts and furnishings characteristic of the north Texas pioneers. Visit the Howard School House, Shaw Grist Mill, Blacksmith Shop and other Cabins via the wonderful pictures included on this CD. The Fort Worth Log Cabin Village CD with over 200 JPEG photos beautifully depicts the pioneer lifestyle and is a great source of souvenir photos for your scrapbook, letterhead, e-mail, postcards, screen savers, general personal usage, or noncommercial educational usage. The Fort Worth Log Cabin Village Photo CD is comprised of over 200 JPEG photos saved in 72 DPI (dots per inch) at approximately an 8"x10" size. Average picture size is 600k. Photos print very nicely at postcard size. Readable by both PCs, MACs, and JPEG compatible DVD players .
