Editors of Fine Homebuilding : Framing Floors, Walls, and Ceilings: Updated and Expanded (For Pros By Pros) before purchasing it in order to gage whether or not it would be worth my time, and all praised Framing Floors, Walls, and Ceilings: Updated and Expanded (For Pros By Pros):

In the updated and expanded edition of this top-selling reference book, you'll find the most current, complete and authoritative advice ever compiled on framing floors, walls, and ceilings. As part of our popular For Pros By Pros series, this comprehensive resource is designed for builders and contractors -- but will work as a practical guide for hands-on amateurs as well. Full of builder-tested strategies, techniques and trade secrets, here's a single book that

delivers everything you'll ever need to build safe, sturdy floors, walls, and ceilings with precision
