Kristin Joyce : Fruit (The Cultivated Gardener) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fruit (The Cultivated Gardener):

Apples, pears, plums, and other seasonal delights move Shakespeare to ecstasy, Garcia-Marquez to mystical observations, and Eliot to ask, "Do I dare to eat a peach?" The paintings by Chardin, Rossetti, and Durer offer only a taste of fruit's eternal appeal. 40 color illustrations.

From the PublisherGorgeous full-color reproductions of masterpieces are paired with quotes from great writers from the Middle Ages to today.
