0 of 0 people found the following review helpful. Eye CandyBy M. HanleyI purchased a new book for under \$10. (The Seller is amazing and received a 5 star review.) Even if you are not interest in growing fuchsias, this is a beautiful coffee table book which includes well defined photographs of some of the most exotic flowers on earth (next to orchids of course), all printed on glossy paper. I should have purchased more for gifts!

This beautiful book is an essential reference for gardeners and anyone interested in these wonderful and distinctive flowering plants. It contains fascinating history, practical advice on how to grow fuchsias, as well as an illustrated

directory of cultivars.
