Jenny Hendy : Fun Gardening for Kids: 30 Creative Outdoor Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Fun Gardening for Kids: 30 Creative Outdoor Projects:

Green spaces represent freedom for children, an opportunity to rush around and explore their imagination. This energy can be channelled into a greater understanding of the garden, the things that grow in it and the creatures that live there. With masses of ideas, this is a sure-fire way to occupy your kids constructively.

About the AuthorJenny Hendy is a garden lover with a passion for enthusing others. After completing a degree in Classical Botany, she worked for one of Britain's leading gardening magazines. She has established a career as an

internationally published author, lecturer and radio broadcaster, and manages a thriving garden design consultancy. Jenny works with nursery and primary school children running gardening and nature workshops. She has written many gardening books, including *A Practical Guide to Topiary* (Southwater).
