**From Brand: Clerisy Press, Emmis Books : Furniture Fix-Ups: Clever Ways to Create Custom Character (From Drab to Fab)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Furniture Fix-Ups: Clever Ways to Create Custom Character (From Drab to Fab):

Furniture Fix-Ups shows readers how to save money and have fun revitalizing old furniture and flea-market finds. Readers are introduced to techniques ranging from decoupage to stains and dyes, painted patterns to transferred images. Theyll learn to create a crackled paint look, use punched tin to give a cabinet new life, and use stenciling to add interest to an old armoire, plus lots of other inspiring projects!

About the Author The Country Sampler name is a powerhouse in the magazine industry. It's where do-it-yourselfers turn for tips on everything from full-on down-home country looks to a more modern, rustic style of decorating. Country Sampler Decorating Ideas is America's favorite how-to decorating magazine. It brings readers the best in today's country styles by showcasing innovative projects with simple step-by-step instructions and full-color photography to help readers personalize their homes.
