**Painterly Pastimes : Furniture Makeover Journal: Drawer keyhole cover (Volume 3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Furniture Makeover Journal: Drawer keyhole cover (Volume 3):

Do you makeover furniture pieces with paint and/or stain to update and beautify them? Well done! The Furniture

Makeover Journal - this volume is the Drawer Keyhole Cover - is designed for you to keep track of your furniture projects in one easy reference by jotting info as you makeover furniture; you'll have everything you'll want to know at your fingertips. Not only will you be able to reference what color you used on a specific project that you completed weeks or months ago you'll also know what preparation you did for the piece, what sort of other finishes you applied, such as a glaze, and what color by writing down your steps as you work on a project you'll have this info in hand in one easy reference. The Furniture Makeover Journal comes in a variety of cover designs, ALL with the same great format inside. You can choose from the lovely wood grain cover, the vintage bird cage cover and the framed blue rustic wood siding cover. Each contains: Table of Contents to enter projects by name listed by their page number for easy reference Space to enter 45 projects; each project has two pages (to enter info including project name, date started and completed, steps and products applied at each stage of your makeover project.
