Anthony Hontoir : Furniture Making: A Manual of Techniques before purchasing it in order to gauge whether or not it would be worth my time, and all praised Furniture Making: A Manual of Techniques:

Reproduction furniture is more popular than ever, but is very expensive to buy. With this book, anyone can make their own. The skills are mainly those of basic woodworking, and the book deals with all aspects from tools, workshop, and materials to the basic joints, design theory, and practice, as well as a section of projects to try. It is a must for all new or keen woodwork enthusiasts.
