Skills Institute Press : Furniture Projects for the Deck Lawn: Attractive 2X4 Woodworking Projects Anyone Can Build (2x4 Projects Anyone Can Build series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Furniture Projects for the Deck Lawn: Attractive 2X4 Woodworking Projects Anyone Can Build (2x4 Projects Anyone Can Build series):

0 of 0 people found the following review helpful. Three Stars By Tammy G. It has some good ideas 2 of 2 people found the following review helpful. worth every penny By wavedancer instructions are easy and simple . I really like the

shopping list. I just fax a supply to my local hardware store and it is ready to load when I get there. 0 of 1 people found the following review helpful. Five Stars By Robert Stallmanglad to have this daughter wants chairs for her deck.

16 sturdy, functional and attractive woodworking projects using ordinary 1-by and 2-by lumber and basic woodworking tools. Includes detailed materials list, step-by-step instructions, and an assembly drawing showing how all the pieces fit.

From the Back Cover Furniture Projects for the Deck and Lawn You can make all of these handsome projects from ordinary 1-by and 2-by lumber, using basic woodworking tools. Each project includes a detailed materials list, step-by-step instructions, and an assembly drawing showing how the pieces fit together. The parts connect with waterproof glue plus nails or screws-this sturdy furniture goes together fast! Finish your project with varnish or paint, or leave it unfinished to weather naturally. You'll enjoy making these terrific outdoor projects, and your family will enjoy beautiful and useful results. About the Author John Kelsey is a journalist and editor specializing in woodworking and furniture making. He has a degree in woodworking and furniture design from the School for American Craft at the Rochester Institute of Technology. He is a former editor in chief of Fine Woodworking magazine and a publisher of woodworking and home building books at the Taunton Press. He is the author of Furniture Projects for the Deck and Lawn. He lives in Newtown, Connecticut.
