Arrived in good order and in good condition in a very short amount of time, we are very happy with the book0 of 0 people found the following review helpful. Five StarsBy paul larncce jrThis is an excellent reference book for refinishers.

Restore any seen-better-days piece of furniture to its former glory using these techniques and tricks of the trade. Go through this guide from start to finish for the definitive restoration workshop course, or dip into various chapters to locate specific information, like how to apply an oil stain, repair veneer, and remove dents in wood. Refurbish the

furniture described, then try items of your own choosing. Return a country chair, bedside cabinet, coffee table, side table, dinner table, drop-leaf table, chest of drawers, telephone chair, wardrobe, and sideboard/bookcase to their original condition--or better, ready to take on another 50 years of wear and tear. 144 pages (all in color), 7 1/4 x 9 3/4.
