**Adam Levine : Gale Nurseries: Four Generations of Garden Excellence** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gale Nurseries: Four Generations of Garden Excellence:

1 of 1 people found the following review helpful. Five StarsBy Beth A. BurnsBeautiful book in great shape!4 of 4 people found the following review helpful. Beautiful and inspirationalBy G. McAuleyThis beautiful book reviews some of the magnificent gardens developed and lovingly maintained by members of the Gale family. I'm not a gardener, but I do appreciate lovely gardens, and this book is an inspiration!0 of 0 people found the following review helpful. Best Garden Book OutBy WindtrystOne of the best garden books in terms of content. The cover and illustrations in the book are magnificently designed.

Showcasing a compilation of the most exquisite and colorful gardening designs of the past four decades, this sumptuously illustrated collection celebrates the history and development of one of Americas most influential and renowned horticultural pioneers. Garnering numerous awards and recognitions for their ground-breaking workincluding honors from the American Society of Landscape Architects, the Royal Horticultural Society, the Pennsylvania Landscape and Nursery Association, and the Philadelphia Flower Showthis beautiful archive relates the stories of each gardens creation, with client interviews and details from noted architects and designers. Opulent photography and concise cultivation insight brings each amazing garden to life and demonstrates the breadth of style, innovation, creativity, and execution by one of the countrys most highly regarded gardening families.
