Taunton Press : Garage Solutions (Do It Now Do It Fast Do It Right) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Garage Solutions (Do It Now Do It Fast Do It Right):

0 of 0 people found the following review helpful. lots of great ideas for the garageBy CustomerBook exactly as described, lots of great ideas for the garage. Quick delivery0 of 0 people found the following review helpful. so many simple ideas easy to implementBy Stu PadasoVery good picture and lots of great ideas22 of 23 people found the following review helpful. Don't pay for advertisingBy Martin MacdonaldA very disappointing title from Taunton. Basically a series of near-advertisements for systems you can buy and simply install. The few do-it-yourself projects look like summer-camp woodshop material.

For most people, the garage is a place to throw stuff, from sports equipment and garden tools to building supplies. And let's not forget about the car and all its accessories! Garage Solutions provides homeowners with all the information they need to maximize this omnipresent but underutilized space with projects for cleaning up the walls and floors, building a shed and workbench, organizing and storing the clutter, and more.

About the Author These tips have been collected from articles and columns in Threads magazine. Threads provides in-depth sewing information and inspiration in an engaging, accessible format. Each issue is filled with creative ideas, technical expertise and resources to help readers improve their sewing skills and express their individual style.
