Some of the more complicated techniques would require additional research, but this gives you a good overview of lots of techniques. I buy lots of gardening/landscaping books and this is a good one.

Amateur landscapers can now take their fences, walls, and other garden borders beyond the merely functional. This inspiring collection of 20 projects from picket fences to stone planter walls guides readers from initial concept to

completion, helping them customize their boundaries to their tastes and garden needs. 500 color photos are featured in this beautiful do-it-yourself landscaping guide.
