**Better Homes and Gardens Books, Kate Frederick : Garden Color (Better Homes Gardens (Paperback))** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Garden Color (Better Homes Gardens (Paperback)):

Gardeners are on a constant quest for color and have a plethora of plants and decorative items to select from in garden centers, home stores, even grocery stores. This book will help gardeners plan, purchase, plant, and decorate for long-lasting color. Featuring ideas and styles from classic to contemporary: Design for after-dark beauty Extend the season Plant portable color Building projects Combine plants and decorative elements: Whole-garden tours illustrate how color works Use color to create unity Fantastic foliage Secrets of success from artist-gardeners Manage continuous color The straightforward format assures at-a-glance understanding: Combine plants with artistic flair Demystify garden color design Orchestrate all-season blooms Evoke emotional effects with color
