Joan Clifton : Garden Design with Stone, Wood, Glass Steel: Inspirational and practical design ideas and techniques using hard landscaping materials before purchasing it in order to gauge whether or not it would be worth my time, and all praised Garden Design with Stone, Wood, Glass Steel: Inspirational and practical design ideas and techniques using hard landscaping materials:

An exploration of contemporary hard landscaping solutions for gardens, courtyards and terraces, using stone, wood, concrete, glass, metals, clay, synthetics and organic materials

"* "The garden has become the new haven in which to express personal creativity. Joan Clifton's book brings a fresh approach to incorporating innovative materials into your outside space... A 'must-buy' for everyone searching for contemporary ideas." Therese Lang, Westonbirt Festival of the Garden, UK."About the AuthorJoan Clifton is a professional horticulturalist whose career has encompassed the worlds of fashion, architecture and theatre design. With a strong sense of sculptural design and a passion for plants, she established her company, Avant Garden, in 1991, to specialize in architecturally inspired garden furniture and artefacts. She is a regular exhibitor at the Chelsea Flower Show, in England, and at other international events and is a consultant for the trade garden show, Fifth Room.
