I like all her books and find them lovely on a dreary day to re read them with a cup of tea and classical music playing softly in the back ground.0 of 0 people found the following review helpful. Five StarsBy ginny michelsongreat condition, pretty pix. thank you0 of 0 people found the following review helpful. EnjoyableBy MaddieTitle says it all! I found this book not only relaxing but also very informative. Great book to read whenever you need to relax and regroup.
