Al David : Garden Ponds, A Complete Introduction before purchasing it in order to gage whether or not it would be worth my time, and all praised Garden Ponds, A Complete Introduction:

Easy to read and loaded with practical, easy-to-apply information and exciting full-color photos and drawings, this highly colorful book tells and show reader how to set up a beautiful garden pond or pool. Authoritative advice is given about making the pond, how to protect it against enemies, which fish and plants to put into it--and how to keep it beautiful.
