The pictures are beautiful, the instructions look good and there are a ...By Grace K. MillerThis was a birthday gift for my daughter. She loves to look through the book for ideas for her yard. Right now her yard is kid-friendly but it doesn't always have to be that way. She looks and thinks and dreams. I can't wait to see what she

decides and I hope I can be of some help. The pictures are beautiful, the instructions look good and there are a lot of choices. 0 of 0 people found the following review helpful. Good Starting Point for Starting Out By Alan Hughes It has some good ideas and does a good job of describing Koi and Goldfish for ponds. It is an excellent book when you are starting out. I bought it used and it was in fine condition for my purposes.

Don't be intimidated...jump right in to provide your garden with the soothing sights and sounds of water. The 5th edition of this Sunset bestseller lures you into the languid ease and peaceful beauty of water features with a richly expanded photo gallery. Then it backs up these great design ideas with step-by-step instructions for constructing ponds, fountains, and waterfalls. Includes plant recommendations. Features: Add a peaceful yet dramatic accent to your garden landscape, deck, or patio Complete materials lists and step-by-step instructions Guides by region on plantings for ponds Tips for maintaining healthy fish and a clean water feature
