**Frances Halliday : Garden Projects in a Weekend (In a Weekend)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Garden Projects in a Weekend (In a Weekend):

Create stunning projects for your outdoor lifestyle. Learn how to enhance your garden using easily available materials, recycled products and simple techniques.

"With step-by-step photos and detailed lists of materials, London takes you through the making of brightly-colored...easy and enjoyable projects." -- Chicago Tribune
