Better Homes and Gardens : Garden Structures (Ideas How-to) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Garden Structures (Ideas How-to):

Gazebos, pergolas, trellises, arbors and more! A multitude of ideas for overhead outdoor structures in a wide variety of settings and regional contexts, from small to large scale and from attached to unattached, are shown and discussed. Cut-a-ways, exploded diagrams, charts and graphs provide the information to make the decision to make it a do-it-yourself or do-it-for-me project. Chapters on prefabricated structures and available kits as well as extensive comparisons of materials are provided to enable the reader to make intelligent buying decisions. Must-know information on choosing and working with professionals is covered in detail.
