Dick Raymond : Garden Way's Joy of Gardening before purchasing it in order to gage whether or not it would be worth my time, and all praised Garden Way's Joy of Gardening:

0 of 0 people found the following review helpful. Great for large garden bedsBy Whitney CahoonThis book is awesome! I gave it four stars because if you don't have the space required for his kind of gardening then it isn't much use. But if you have lots of land for gardens then you want this book. It is so informative. If you follow his guidelines you will definitely see great harvest results.0 of 0 people found the following review helpful. If you want to grow your own food; This is the book.By JamesDavidAlthough is a bit outdated by how old it is, the information is the best. Get an older Troy Bilt Tiller (new ones are crap) and let this book be your guide to grow tons of great food. I have been using Dick Raymond's methods for more than 25 years.0 of 0 people found the following review helpful. My vegetable gardening bible!By JuliaI purchased this for a gift for my daughter and son-in-law. I won't give up my copy and they needed one. It is the go-to vegetable gardening bible in my house. I miss watching Dick Raymond's gardening shows on PBS (back in the 1980s). Highly recommend this book and his wide-row gardening methods!

Full of useful tips and practical garden wisdom, this straightforward guide shows you everything you need to know to grow a more bountiful harvest with less work. Stressing the utility of raised beds and wide rows, gardening expert Dick Raymond shares his time-tested techniques for preparing the soil, starting plants, and controlling weeds. With helpful photographs, clear charts, and profiles of reliable garden vegetables, Joy of Gardening will inspire you to grow your best crop ever.

From the Back Cover Garden Way's Joy of Gardening can show anyone, anywhere, how to turn any patch of ground into a lush, bountiful vegetables garden. With Dick Raymond's help, you will- Double your harvest with wide rows. Less weeding, too.- Solve soil problems forever. His secrets will work anywhere.- Get your earliest and healthiest tomatoes. Use his trench-planting technique.- Harvest the sweetest melons. Use tin cans for sweeter melons that ripen faster. The companion to the television series of the same name, Garden Way's Joy of Gardening contains the best of Dick Raymond's vegetable gardening wisdom -- his proven methods for raised beds, wide rows, and other techniques that promise a bigger harvest with less work. Full-color photographs and illustrations, and at-a-glance charts, make Dick's proven methods accessible to any gardener, beginner or seasoned expert.
