I have looked through the pages of my new book a number of times already this first week and am inspired by something new each and every time. Lots of ideas to spur on inspired touches in my own garden this year and into the future. Enjoy the writing style as well...congratulations on a job well done! :)0 of 0 people found the following review helpful. Five StarsBy BeccaThis was a gift for my sister and she absolutely loves it!1 of 1 people found the following review helpful. Beautiful pictures.By jennifer stewartI enjoy a yard that isn't formal, but has a cottage look. This book fulfilled this, it also gave me many ideas. Many beautiful pictures very descriptive.

Gardens are now considered by many people to be an extension of the home, and with the popularity of reclaiming, re-using and re-inventing rather than buying brand new items, now is the time to embrace the value of outdoor salvage. 'Gardenalia' provides the inspiration and the know-how for creating a perfect outdoor room.

'Written in Sally's well-informed yet accessible style, it is accompanied by some lovely images showing you just how

to put it all together. An inspiration for those who would rather not throw anything away.' Scotland on Sunday An inspirational guide on how to inject gardens with vintage style and create the perfect outdoor room Retirement Today The images are enticing - Gardenalia is an inspirational coffee table book. At the same time, Sally Coulthard's words of wisdom complement the wonderful images for a design-led book with plenty of practical suggestions on combining plants with decorative material.
