Waste of MoneyBy CaeTotal Waste Of MoneyThis guy simply took references and pasted them in this small book with NO PHOTOS and no real professional writing. "Pot the seed and don't over water" - Really? A person could find more in depth information on growing cucumbers from their local extension agent. Don't waste your money on this worthless book.

Gardeners Guide to Growing Cucumbers is an excellent vegetable garden guide for the garden beginner as well as the veteran gardener. Vegetable gardeners will find sections on growing, freeing, storing and canning carrots. Planting, culture, harvest and storage of the carrot is covered as well.
