whether or not it would be worth my time, and all praised Gardener's Guide to Growing Sweet Potatoes: Sweet Potato Culture in the Vegetable Garden (Gardener's Guide to Growing Your Vegetable Garden) (Volume 7):

Gardener's Guide to Growing Sweet Potatoes includes the culture for growing, harvesting and storing them. It also lists most sweet potato problems, online sources and many of the sweet potato varieties available to the home gardener. Veteran and beginner gardeners alike can benefit from the sweet potato growing information in this book.
