Tom Alyea : Gardener's Journal before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gardener's Journal:

A garden journal is your own personal diary of what happened in your garden. It will be a daily record of your achievements from year to year and of the changes you've made to your garden. It's also a great way to record how

much you've learned from the very first time you planted a garden to now.
