**George Drower : Gardeners, Gurus and Grubs: The Stories of Garden Inventors and Innovators** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gardeners, Gurus and Grubs: The Stories of Garden Inventors and Innovators:

3 of 3 people found the following review helpful. Focuses on garden inventors and their innovations  
By Midwest Book Review  
Gardeners, Gurus And Grubs is an unusual gardener's guide which focuses on garden inventors and their innovations, providing a history of changing garden techniques and covering fifty inventions and their discoverers. A unique and effective approach to the history of evolving gardening techniques from Columbus to modern times.

Here are fifty stories of the inventions, innovations and discoveries that have revolutionized our gardens and gardening.
