**Martyn Cox : Gardeners' World: The Veg Grower's Almanac: Month by Month Planning and Planting** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gardeners' World: The Veg Grower's Almanac: Month by Month Planning and Planting:

1 of 1 people found the following review helpful. Too short; too basic; not enough detailBy O'Toole@kartinclinicThis book should have been much more expansive given the expertise of the authors. Autumn and winter are especially brief1 of 1 people found the following review helpful. Five StarsBy Alangot the book for my girl friend and she loves it

Growing vegetables can be a tricky business, and even the most experienced of gardeners will occasionally need to turn to a trusted tome for some handy advice. The Veg Growers Almanac is just such a book—a compendium of month-by-month tips, advice, and items of interest. With sage advice from old Gardeners World hands coupled with tips on the best varieties to grow and timely advice on how best to look after your plot, this attractive collection blends practical advice with evocative writing and fascinating facts. Illustrated throughout with charming drawings and sketches, The Veg Growers Almanac is a welcome addition to any gardener's shelf—from hands-on instructions for preparing a seed bed or trying new varieties of tomato to fascinating little-known facts about our favorite crops.

About the AuthorMartyn Cox is the former features editor of BBC Gardeners' World magazine, deputy editor of Gardenlife, and was on the editorial teams at Amateur Gardening and Horticulture Week. Now freelance, he writes a weekly gardening column in the Mail on Sunday, and monthly for Saga Magazine, [saga.co.uk](http://saga.co.uk), and Grow It. Martyn contributes regularly to many other publications, including the Daily Telegraph, Guardian, and Times Magazine. He is the author of seven books, including 101 Ideas for Small Gardens, 101 Plants for Problem Places, Gardening with Kids, and the award-winning RHS Wildlife Garden.
