**From Brand: Travelers' Tales/Solas House : Gardening Among Friends: Practical Essays by Master Gardeners** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gardening Among Friends: Practical Essays by Master Gardeners:

Imagine sitting down with a group of friends who are also expert gardeners. That's the effect of this useful, accessible book, which features professionals sharing their knowledge of a wide range of topics including design and maintenance, tips on flowers, foliage, and garden produce, how to establish habitat gardens or low-water/low-maintenance ones, and controlling weeds and other pests. Here is authoritative advice on specific choices from alstroemerias to orchids, along with seasonal suggestions and ideas. The book's conversational tone gives inspiration and insider knowledge to enthusiasts at all skill levels.
