Melissa Honeydew : Gardening: Hydroponics for Self Sufficiency - Vegetables, Herbs, and Berries before purchasing it in order to gage whether or not it would be worth my time, and all praised Gardening: Hydroponics for Self Sufficiency - Vegetables, Herbs, and Berries:

Grow Your Own Delicious Hydroponic Vegetables at Home! Are you excited and curious about creating your own hydroponic garden? When you download Gardening: Hydroponics for Self Sufficiency, you'll discover how to grow your own food and become more self-sufficient. This book helps you learn the systems you'll be working with and how to choose the right growing media. You'll also learn about the bucket bubbler, ebb and flow, and NFT systems. You can even create a hydroponic window garden! You can grow a huge variety of hydroponic vegetables all year round: cucumbers, artichokes, leeks, asparagus, broccoli. You'll even learn how to plant fruits and melons throughout the year: watermelons, strawberries, tomatoes, blueberries, and even pineapples! And many, many more! Buy this audiobook now. You'll be happy you did!
