Ian Spence : Gardening Through the Year: Your Month-by-Month Guide to What to Do When in the Garden before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gardening Through the Year: Your Month-by-Month Guide to What to Do When in the Garden:

0 of 0 people found the following review helpful. I love how this has all 12 months of the year ...By William T. Hawkins III love how this has all 12 months of the year in it and what chores to do and highlights particular plants for each month.2 of 3 people found the following review helpful. okay, but not regional specific for datesBy Di MorganI thought this would be more helpful for my particular region of North America...western Washington/Oregon.Most monthly garden activities are "off" by a month or more.0 of 1 people found the following review helpful. Get the book for your part of the worldBy LCADidn't realise there was a US version as I thought it was an Australian publication and I got sent US version. Make sure you get the edition you require. Didn't anyone look at my address.

Successful gardening depends on good timing-knowing what to do when. With this revised, easy-to-use gardener's

companion, you can plan the year's horticultural tasks and get ahead in the garden whatever the season. *Gardening Through the Year* is clearly laid out and completely practical in approach. For each month there are specific tasks for every part of the garden from trees to lawns, at-a-glance checklists, expert plant advice, and invaluable "Get Ahead" and "Last Chance" features. With more than 1,000 full-color photographs, this is the garden reference book that not only tells you what to do when, but also shows you how to do it.
