It's a little on the small-ish size for a wall calendar (like maybe an inch or so), but that in no way takes away from the beauty of the images, which is why I bought it! Clean layout, too. I'd buy more calendars by this company! 0 of 0 people found the following review helpful. Five Stars By P. Searle Lovely wall calendar. The art is awesome, frameable every one By Customer Soon to be a Christmas gift for my "all things French" loving friend. The art is awesome, frameable every one. Perfect for an art and flower lover.

From Paris to Provence, this vivid 16-month wall calendar features beautiful paintings of parks and gardens throughout France by renowned artists, including Impressionist and Post-Impressionist such as Monet, Pissarro, and Van Gogh, and modern ones like Bonnard and Vuillard. Enjoy blooming trees in the famed Tuileries, fields of poppies in the French countryside, and secret gardens in Provence by masters of French painting, all from the Met's world-famous collection.
