**Nancy D'Oench, Bonny Martin : Gardens Private Personal: A Garden Club of America Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gardens Private Personal: A Garden Club of America Book:

0 of 0 people found the following review helpful. A book only for rich people with huge estates By Jeani Rector I bought this book because the name includes "Private and Personal." That is why I was expecting secret gardens and private retreats. Instead, GARDENS PRIVATE PERSONAL contains photos of huge estates and the expansive, expensive gardens of rich people. If you are a millionaire with many acres, this book is for you. If you are a regular person seeking to create a garden sanctuary, do NOT waste your money on this book. A better buy would be GARDEN RETREATS by Barbara Ashman. Now THERE'S a great book for examples of secret gardens and serene garden sanctuaries. 0 of 0 people found the following review helpful. Five Stars By Chuck D beautiful book, great price! 0 of 0 people found the following review helpful. Fantastic. The Book all garden lovers (or anyone, really) must have and keep!! By E. Abadia Just wonderful! The photos are great, the size the clarity, the writing. The selection of gardens is just a feast for your eyes and a temptation for your own grounds. It makes you dream and also grab a shovel and start

doing things in your garden to make it better or more beautiful. A book you'll read and look at often in your house.

More than 90 exquisite gardens were photographed all around the United States especially for this book by Mick Hales, one of the worlds leading garden photographers. Organized according to parts of the gardenentryways, herbaceous borders, water features, hedges, etc.the pictures are accompanied by insightful commentaries and extended captions. Quotations from the ownersdedicated gardeners alloffer an additional source of inspiration to any garden lover.

About the AuthorMick Hales is the photographer/author of Abrams Gardens Around the World 365 and Shakespeare in the Garden, and the photographer of The Book of Psalms, as well as of STCs 212 Views of Central Park 212. He, author Nancy DOench, and coordinator Bonny Martin also collaborated on The Fine Art of Flower Arranging.Nancy DOench is a writer, award-winning flower arranger, lecturer, flower-show judge, and longtime member of the Garden Club of America. She lives in Portland, Connecticut. Bonny Martin is a prolific gardener, arranger, lecturer, judge, and organizer of the major Garden Club of America flower show in Memphis, Tennessee, where she lives.
