From A Raguenet : Gargoyles and Grotesques (Dover Pictorial Archive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gargoyles and Grotesques (Dover Pictorial Archive):

Images inside are drawn weakly at best.. if you call crosshatching detail.. your nuts. There are maybe 5 images of Gargoyles. The rest must be grotesques I guesss, meaning bad drawThere are a few images that are in the book twice. Just filler crap. Do not buy this book! Big disappointment.1 of 1 people found the following review helpful. One StarBy justin L. GutierrezDont wasted your money. Very disappointed with this0 of 0 people found the following review helpful.
